This is the first page of the 1856 Book of Accounts, the oldest existing financial records of St. Stanislaus. Of special interest is the use of the term "Academy" in the school's name and "Brothers of Christian Instruction" rather than "Brothers of the Sacred Heart."

From 1829-1900, because of requirements for approbation by the French government, the official name "Brothers of Christian Instruction" was employed in all formal business and civil dealings. But, within the congregation and among students, parents, and friends, "Brothers of the Sacred Heart" was always used from the beginning of the institute.

Repair Work Gives Old Buildings New Look

During the summer the main buildings of St. Stanislaus have been repaired, making the structures sturdier and improving their looks.

The improvements started at the beginning of summer and were not completed until the end of August.

Besides the front wall, window sills, cupolas and trimming of the buildings, many of the surrounding buildings were painted.

The Brothers gave their services in much of this operation.

The buildings were then sand-blasted. Sandblasting is a method by which the bricks are thoroughly cleaned by means of a machine filled with sand which is shot out under pressure through a hose against the building.

Then the buildings were painted in which much of the old mortar in between the bricks was taken out and new mortar put in. The wooden posts which help hold the galleries were repaired and reinforced. New planks and boards were put in and others fixed.

The company that did the \$7,500 repairs was the South East Distributors Co., Inc., of New Orleans.

All of this hard work added much to the beauty of the present buildings which have graced St. Stanislaus campus for the past fifty-one years.

SIX NEW FACULTY MEMBERS ASSIGNED

Brother Martin, Provincial of the Brothers of the Sacred Heart announced on August 10 the following changes in the Stanislaus faculty for the 1954-55 season.

Brother Bartel the former Physics teacher was sent to the missions in Africa. Brother David, former Chemistry teacher here, is now stationed at Saint Aloysius in New Orleans. Brother Joseph formerly in charge of the clothes room and laundry has departed to the Bronx to teach. Brother Charles, a teacher in the back school has been assigned to Huntington, Long Island, N. Y. Brother Albert returned to Canada.

The new Brothers here at Stanislaus are heartily welcomed by all the members of Saint Stanislaus.

Brother Carl, who hails from McGill High School in Mobile, is teaching Freshman B and Spanish. Brother Ramon, who graduated from Saint Stanislaus in 1947, is now back after teaching at Saint Luke's School in Bronx. He is in charge of the clothes-room and laundry. Brother Laurent and Brother Celestine are from Mobile. Ala. Brother Laurent teaches the Fifth Grade and Brother Celestine teaches the Sixth Grade. Brother Clifford, after teaching at Catholic High in Baton Rouge, is again teaching at the Back-School.

Brother Godfrey from Saint Aloysius High School in New Orleans is now teaching the Seventh Grade.

St. Stanislaus Opens For 101st Session

After one-hundred years of successful teaching the Sacred Heart Brothers reopened the doors of St. Stanislaus on Wednesday Sept. 8, 1954 to start on another century of Catholic education.

When school opened there were 540 students registered, 236 of whom were boarders and 304 of whom were day scholars. Out of this number there are 86 seniors who hope to graduate in '55.

Brother Roland has again been appointed president of S.S.C. and is assisted by Brother Linn who is Vice-President.

BEAT PICAYUNE

Vol. XXIII St. Stanislaus, Bay St. Louis, Miss. October 8, 1954 No. 1

Ted Perry Elected Magnolia Boys' State Governor and Boys' Nation President

Edward "Ted" Perry, a Senior at St. Stanislaus College, was this past summer elected President of Boys Nation, a feat never before accomplished by a Southerner.

His selection by the school faculty to attend Boys State was based upon scholarship, leadership, courage, and integrity—qualities of which he proved complete possession. Being chosen, he was sponsored by the Pere Le Duc Council 1522 of the Knights of Columbus of Bay St. Louis.
